quality assurance
technical author
and many more...

at arras people, we are 100% focused
on supplying
key project support personnel

All our candidates are qualified and experienced in their chosen project support field, and because Arras People's own recruitment consultants are from a project office background – we really understand what our clients are looking for.

Working with Arras you're guaranteed;

- A fast and efficient service
- High quality contact throughout the engagement
- Competitive fees and rates
- Best value solutions to fit your own organisation
